## Thoughts of the Editor

The clinic is again over and we are now going into the busy time of the year. Thank for the people who worked on the clinic, including Tom Calnen of Troy; Margo Brogan and her crew for registration; Bill Taylor for taking good care of the vendors; and Gary Galla for taking care of the money. It takes a lot of people to but on a good clinic and we appreciate the work.

Our new committee chairs are starting their jobs and if you want to help please contact them. Ken Brown for Southfield Christian will be taking over the scholarship committee and Duane Knight of Martin is continuing to head the All Star Game.

Every year we have problems with coaches that think they have sent in their dues but I have no record. When the May 1 deadline has passed I will send a list of varsity coaches to the Regional chairs then to the District chairs and also on the web. If your schools name is not on the list on the web you are NOT a member and must pay at the district meeting. All District Reps are taking roll this year and sending that to the regional level. If their is a mistake the District Rep will be replaced and the players removed from the list and not replaced. So PAY now!

Remember if you need to get a hold of me, just e-mail and I will get back to you asap. I will not return phone calls so just e-mail.

Good luck in your seasons and enjoy the time with your teams. I will see you in Battle Creek in June.

*Sue*

Treasurer - Gary Galla	Maple City

**MHSAA Baseball/ Softball Committee**

**Page 2 Are You A Member in Good Standings ???**

In January 2006, the MHSAA Baseball /Softball Committee met in Lansing to discuss issues dealing with the sports. There were no major decisions made but some future rules discussed.

There was a discussion about the times of the State Semi finals and the idea of having the tournament on multiple days and only having one game at a time for the semi finals. No conclusion was made or no vote was taken.

There was a review of the National Federation Meeting that Randy Allen is a member. An area that we are already dealing with is the topic of moving the pitching mound back to 43 feet. As of the latest survey from this fall 78% of our members were against this move. The topic of moving the Regional games back and adjusting the calendar was tabled because of issues that need to be dealt with in the total MHSSA calendar.

There was a discussion about the mandatory use of a protective face mask for third base, pitcher and first base. At this time our association is against the mandatory use of the mask but strongly recommends that it is discussed with parents and players.

**Hall of Fame Nominations**

The Hall of Fame committee is continuing. Committee members are chosen and kept secret. Even members of the committee do not know who else is on the committee. The committee will be sent the nominations and will each send back their picks. Those picks will be compiled and sent to the executive board for approval.

Enclosed you will find an application for the Hall of Fame. Please take time to think about nominating people that you feel deserve that high honor. Remember the coach need not have won a state championship or have a large volume of wins. The committee is looking for people that help high school softball in the state of Michigan. The committee is looking for people who have been involved in the association and have made major contributions to softball. So when you are asked to do something other than being a district rep, just remember this all counts. A person may be on the list for several years before they are chosen. Wins and years of coaching are taken into account along with character and committee work. District and Regional Reps are important but they are only a small job in the total picture. So when you are nominating someone ask how many committees they have served on your nomination must be sent to the MHSSCA Office by July, and if you have any questions, contact Sue.

**Coaches Dress for Victory**

Those that are old enough, remember when coaches on the field needed to be in uniform, much like baseball. The state changed the rule to 3-5-3. Coaches shall be attired in school uniform or jersey, coaching shirt/shorts/slacks in school colors or khaki, black, white, or gray. The penalty is restriction to the dugout.

Last year I witness coaches in T-shirts and gym shorts and the shirts were untucked and they didn't look very professional. They looked more like they were going to work out rather than coach a game. It is time for us as coaches to retake the coaching dress before we are forced to wear those same baseball pants.

So let's step it up another notch. Shirts with collars, walking shorts not gym shorts and have them all tucked in and neat. Let's show the kids how important it is to play hard but look classy at the same time.

Usually in this spot I list the schools that are not in good standing. It is usually that the coach or school has forgotten to pay for the all star game. Remember if your player agrees to play in the game as of **July 1**, you are responsible for the fee, no matter if they show up or not. So please take care of the overdue bills.

I am happy to write that as of this date (February 21, 2007) there are no schools that are not in good standing because of the all star game. We do have one school that is not in good standing because they failed to pay for three coaches at the clinic. That school will be given a week and then be placed on the list until the \$240.00 is paid.

Attention make sure your finance office has the new address and that they don't send a check to the Soccer Association by mistake. We both use the MHSSCA call letters. Make the check is sent to the right address it is your responsibility.

**Most Asked questions**

1. I think I am a member But!  
Ans. Check your checking account send a copy of the check.
2. I Missed the deadline can't you....!  
Ans. NO. We all coach plus to the work for the association so we need to have coaches abide by deadlines. If we don't we are accused of the "good ole boy" policy.
3. How come my kid didn't make all state because she is the best in the state!  
Ans. Have you seen players from other areas or just on your side of the state? We have to rely on integrity of the selectors and that starts at the district level. Strength of schedule, completed stat forms do make a difference.

All State IMPORTANT INFO

Web Page

Again we will be working on the committee basis for all State. If you have a question please contact the Division Chair that is in charge of your Division.

Important Facts:

- 1. If the sheet is not completely filled out it will not advance to the next level. - Names, stats etc.
2. If the coaches name is not on the list on the web They CANNOT vote, unless they pay \$35. District Coaches can not take their word without proof.
3. Order of selection ( Outfield, Short, Third, Second, First, Catcher, Pitcher)
4. Number of selections - Districts 1 per each position, plus 1 extra pitcher and a player at large from any position. ( total of 11)
5. The at large player can only advance in the region if the player in front of them is selected to the region team. There is no at large position above districts.
6. Region selects 2 players from each position ( outfield has 6, pitcher 4 ). (total of 20)
7. A reminder, strength of schedule is important, so make sure the schedules are on the back of the form .

Only varsity coaches who are members in good standing and have paid the current dues are eligible to nominate or vote. Each district chair will receive the list of coaches who are members after the May 1 deadline. Names will be posted on the web sight by the first of June. If there is an emergency a Non Varsity or assistant may vote in their place, but only if they are members. If a coaches name is not on the list they must pay \$35.00 to the District Chair who will forward the dues to the All State meeting.

After May All Coaches Must take the \$35 to the District Meeting Do no send it to Sue or you will have to pay twice !

TOTALLY FILL OUT THE FORMS! OR IT MAY BE THROWN OUT!

Miss Softball

Our association yearly choose one Miss Softball pitcher and one player. Miss Softball candidates are first selected from the District Level, then Regional, then each class at the State Level. The two candidates from each class are then evaluated by a committee of non active coaches. Please follow the form and materials carefully if you think you have one of the top players in the state.

This year we are asking each district and at the least each region to select a candidates. This will ensure that there are sufficient candidates on the table from each region. A reminder that Miss Softball is judged not on one season but for her total varsity experience. Thus career stats are looked at with detail. This takes some pre planning by a coach to gather the information prior to the meetings. It is important that if you feel your player is a Miss Softball candidate that you include an action shot or two Senior pictures with the All State forms. These are released to the media and for the All Star program. ACTION SHOTS are preferred for Miss softball nominations.

In 2005 a player may have been selected Miss Softball but the forms were not totally filled out so she was eliminated.

Fill Out the forms carefully!

Our Web page continues to grow. We have forms, links to high school softball teams and even the newsletter. We need to restrict the information on our web site to High School Softball and MHSSCA activities. So we will not be able to have camps or other summer team information. We will soon be linked to the MHSAA site so other sports can follow our association. Mikie Ruhl continues to designed the pages and she will continue to update the information. Let her know if you have any suggestions. You may need to download Adobe Reader which is available on the site.

Rankings - Each week the rankings will be posted

All State Teams - Will be posted following the selection

Academic All State

As noted at the top of the Academic All state forms for individuals and team, the G.P.A. is based on a 4.0 scale. If your school uses weighted grades ( i.e. A = 5.0 ), has an A+ = 4.5, or uses a different scale for advanced placement classes, etc., Please! compute your athlete's G.P.A. using the following scale.

A = 4.0 B = 3.0
C = 2.0 D = 1.0

Criteria:

Not all of the high schools in the state are fortunate enough to offer advanced placement classes or weighted grades. The information received from schools in the past indicates that each institution computes its grades differently. In order to make the selection process equitable to the young ladies participating in softball in approximately six hundred schools, the Association developed these guidelines.

The cut off date is postmarked by MAY 1. Please do not call after the date requesting extensions. We are not the ones who want to deny your players an award. So pick your team in March and immediately send in the form and you won't have to explain it to administration and parents why your players are not all state academic.

Three Player Rule

I get many phone calls and e-mails dealing with the 3 man rule. The answer is short and sweet..From the beginning of school to the first day of practice in March no high school coach, volunteer etc. is allowed to work with more than 3 players grades 7-12. This means no sports specific equipment maybe used. Balls ,bats, gloves etc. Players can not be working with one coach in one room and another in another room in the building. Kids can't be sitting on the side or be in the vicinity of the player and coach. I have had calls reporting that coaches are holding clinic and charging the players so they think it doesn't count. YES it does! Having parents run the practice is also questionable because of school liability and their connection with the school program.

The baseball/softball committee is working on changing the rule but for now, rules are rules and need to be followed.

**District Chairman should contact member coaches in their district by the last week in May. If you are not contacted, contact the District or Regional Chairman.**

**What Happens if No One wants to be District Chairman ????**

Sometimes people get busy and do not apply to be the district chair . If that happens, we assign another district chairman from nearby to host both district meetings. If we still do not have a volunteer, the district without a chairman will have no vote at the regional meeting.

Our problem is that we have some districts with multiple volunteers and in others we have no one who wants the job. If you are in a district that does not have a chair ,please contact the Regional chairman.

If you see that your district or regional is not covered it could be two things. First the regional and district chairs did not send in the information requested in time. Or two we don't have anyone. If you are intested contact the class chair or regional chair at the email supplied.

**Points of Emphasis 2007**

1. Coaches fill out the forms completely
2. Coaches dress appropratly during games
3. 3 player rule is followed by all.

**Responsibility of All State Chairs**

**2007 MHSSCA ALL STAR GAME**

Each Class Chair has selected the Regional Chairs. The Regional Chairs have the responsibility to select the District Chairs. If you see that your district or region has not been filled contact the person responsible for the selection.

Meetings of the District coaches are to be held prior to the Regional Tournament. The place and time are the responsibility of the District Chairs. Each District chair should attempt to hold the meeting in a place and time good for every coach. Member coaches in each district should attempt to contact the district chairs around the district, for the time and place (especially if you are not a school employee). Regional meetings are held prior to the quarterfinals.

The Regional chairs are responsible to send in the regional team in an e-mail to their class chair at a time and date given to them.

There is a responsibility that comes along with being a chair. That is simply to be as honest as possible in each meeting. A District chair is responsible to express the views of all the coaches in their district. Region chairs need to carry on the information to the all state table. If a coach finds there is an emergency and can not attend the meetings it is their responsibility to find a replacement. If a regional chair does not attend the meeting all the players in that region will not be voted on for all state.

The process starts with all varsity coaches to make sure they have paid their dues, fill out the forms totally, and are in members in good standing from past dues. Then attend the meetings and vote.

**DUE DATES ARE IMPORTANT**

Enclosed you will find a calendar of this year's activities. It is extremely important that you pay attention to the due dates. All due date are postmark dates. Since most of us that run the various committees also coach, it is important that we are not plagued with late materials. Please do not procrastinate about turning in information; you will only be hurting your own players.

**Some advice**

1. Turn you application in **TODAY**.
2. Check with business offices or Athletic Directors and make sure they have turned in your check and application. No fax or e-mail applications accepted  
**Before May 1**
3. Fill out forms for the Hall of Fame .
4. In **MARCH** check with Seniors that made your team and who may qualify for the scholarship award. Get them working on the information that is needed. Scholarship forms due April 15
5. **AS SOON AS YOU SELECT YOUR TEAM** calculate the teams GPA and send it in March. Send to Margo only.

If you do the forms early before the season starts you will not be on of those that get caught up in the season and miss the dates and deprive your team of their accolades.

**What we need.... Announcers, gate keepers, program sellers, umpires for the all star game. If you would like to work contact Duane Knight asap.(mhs3peat@yahoo.com)**

The success of the all star game lies with each varsity coach. Please go to your senior athletes NOW and talk to them about the weekend of July 20-21, 2007. Ask them to keep that date open and to talk to their summer coaches so they are aware that if they are chosen they will be playing in the all star game. We had a lot of difficulty last year especially in D1 when we had to go down to district teams to fill the team. If we truly want to have an all star team we need the all stars and all state team members.

Again in 2007 we will be attempting to choose honorary coaches. Like the players we sometimes have to make multiple calls to find coaches. We want to spread the coaching honors to not only those coaches that end up in the state finals. If you want to nominate a coach please e-mail Sue with your choice.

If you want to help in an area please contact the committee member.

**Committee Members**

**Duane Knight - Martin (Coordination):** - Make sure all jobs run smoothly. Develop a time line, job descriptions and , flow chart. Track jobs so that everyone is informed. Complete a final report as to contacts and forms. Attempt to get a corporate sponsor. (mhs3peat@yahoo.com)

**Sue Barthold - President** - Money and Registration (b14@iserv.net)

**Gary Galla ( Money)** Supply seed money and signs for the gate.

Contact Insurance for players. Supply the coaches shirts

**Kathy Breece (Facilities):**-They will contract MSU for the housing, lunches ; use of the fields; Umpires ( if anyone has someone to nominate contact Kathy (teach15@hotmail.com)

**Ken Brown- Southfield Christian (Team Selection):**- Get Coaches from each division to select the teams. Set up a time table for the selection, dates, deadlines and compile the packets.

(brownks@juno.com)

**Chris Belanger- Lakeshore & Bob Downing - Mackinaw City**

**(Coach Selection)**:-Contact the coaches to coach the game. Obtain pictures for the program. Remember if you are asked we are asking you and not your assistants. (ddowning\_67@yahoo.com) (cbelanger@lpsps.org)

**John Meyers - Detroit Country Day / Chuck Wren-West Branch (Program)**

Put the program together, have the programs printed and delivered to MSU Friday (WrenC@wbrc.k12.mi.us , JMeyers@dcds.edu)

**Stats and Schedules are Important**

Just a reminder to all coaches. It is important that you keep good stats. Statistics are important to the all state selection. Probably one of the most important stat is the amount of games a player plays at a particular position. You can not nominate your pitcher for the secondbase. If she hasn't played in a majority of the inning at that position. So have specific stats for inning played at which position.

Also taken into account is the strength of schedule that your team plays. So it is important that your schedule is attached to the All State form. This year we are asking that the schedule also includes the results.

No form will be considered unless it is **TOTALLY** filled out. Regional and District Chairs are **NOT** to consider forms not filled out Completely. At the next level the player may be removed from consideration.

We are in the process of changing the State Ranking Committee. John Meyers from Country Day is taking over the committee and he is in the process of deciding the way the rankings are going to be collected. In the future we are planning on using the web site so each school can have one vote and all members can give their input. So in the mean time if you are interested please contact John at jmeyers@dcds.edu.

Remember don't complain if you are not ranked if you don't let the committee know.
